

Global Sports Marketing Ltd., Zurich is offering unique career opportunities:

Sports Marketing Internship

for the organisation and implementation of the season 2009 of the NESTEA European Championship Tour, the highest ranked Beach Volleyball tournament series in Europe culminating into the NESTEA European Championship Final. We have developed and introduced the NESTEA European Championship Tour as an exciting international sports venture and high profile business opportunity for leading lifestyle brands such as NESTEA and smart (more information at www.eurobeachtour.com).

Duration & Location:

- Ideal timing would be from February 2009 until October 2009 with flexibility for special university commitments.
- Office location is in the centre of Zurich.

Our Profile:

Global Sports Marketing's passion and experience is in the development and implementation of new ideas and innovative concepts in the business of sports and entertainment. For more information on the company and our projects please refer to www.gsmglobalsports.com.

Your Profile:

We are looking for highly motivated candidates who contribute to our team with the following attributes:

- Advanced participants of Marketing and Business Administration Courses.
- Background and past experience in sports administration, sports marketing and event management are of benefit.
- Love and passion for sports (Beach Volleyball knowledge is of benefit).
- Interest and confidence in taking on special projects in the management and marketing activities of the NESTEA European Championship Tour.
- Fluent in English and German (spoken and written).
- Open for new challenges and the work in an international environment.
- Willing to travel frequently in Europe.

Do you feel you can add real value to our organisation and are motivated for an exciting challenge in sports marketing – then please address your complete CV and application file in English to:
